

VENTURA LAMBRATE 2011

MILAN, ITALY, 12 – 17 APRIL

PRESS PREVIEW, MONDAY APRIL 11, 15:00 – 20:00

Organisation in Design, the founders, art directors and organisation behind Ventura Lambrate proudly present Ventura Lambrate 2011!

Starting from an underdog position in the Milan Design Week, Ventura Lambrate 2010 immediately turned into the must-see design district in Milan for the period of the Salone, with a strong selection of 21 of the most interesting exhibitions.

The overwhelming success of Ventura Lambrates' first edition resulted in hundreds of exhibitors applying to take part in the second edition. Organisation in Design started its selection process in which creativity, quality, experimentation and content were as important as in 2010, but for Ventura Lambrate 2011, a stronger focus was also put on diversity and internationality.

With great pleasure we now announce that 45 of the most exciting, inspiring, creative exhibitions from all the over the world are selected for Ventura Lambrate 2011.

The first confirmed exhibitors for Ventura Lambrate 2011 were already announced in January 2011. Now we are proud to inform you that, in addition, Ventura Lambrate 2011 will host the exhibitions of: **Artbook Milano** (IT), **Designersblock** (UK), **PeLiDesign** (NL), **Refile** (IT), **Z33** (BE), **Ghyczy** (NL), **Castor Design** (CDN), **Bombay Sapphire** (IT), **Studio Drift**, **Studio Molen**, **Sebastian Brajkovic and Studio Eric Klarenbeek** (NL), **Diallo Design** (FR), **Central Saint Martins** (UK), **Weltevree** (NL), **Postfossil** (CH), **The Dutch Standard** (NL), **Carwan Gallery** (RL), **Emmanuel Babled** (FR/NL), **Scuola Politecnica di Design** (IT) **Promisedesign – new design from Israel** (IL), **Studio Roel Huisman** (NL), **Architectural Studio Simone Micheli** (IT) and **Jawbone with Yves Behar + fuseproject and Dezeen** (US/UK).

Scroll down for the complete overview of exhibitors in Ventura Lambrate 2011.

VENTURA LAMBRATE 2011 ADDRESSES & HOW TO GET THERE

Ventura Lambrate is located within walking distance from metro station Lambrate.

After coming out of the metro entrance, walk through the building of the train station of Lambrate.
